Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clifton Well Loop Project for Fiscal Year 2025.

The entity to receive funding for this project is The City of Clifton located at 403 West 3rd St, Clifton, TX 76634. The funding would be used to install an 8" waterline to loop in a portion of the City's served area into the elevated storage tanks pressure plane in order to provide increased pressures to an area that are higher in elevation.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "John R. Carter".
