Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Texas A&M University-Central Texas Community Project Funding (CPF) for the 31st Congressional District of Texas in fiscal year 2023.

The entity to receive funding for this project is Texas A&M University-Central Texas, located at 1001 Leadership Place Killeen, TX 76549

The funding would be used to expand testing and evaluation lab capability at Texas A&M University-Central Texas to enable enhanced support for Operational Test Command (OTC) at Fort Hood. Additionally, federal dollars used for this CPF enables OTC to compete at the cutting edge of technology by establishing a low-cost doctoral program in predictive analytics. Investments in programs like the doctoral program provided by Texas A&M University-Central Texas incentivize our military and civilian workforce, allowing DoD to retain talent

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "John R. Carter".
