Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the project titled "Gatesville, TX Hughes Elevated Water Storage Tank" in fiscal year 2025. The entity to receive funding for this project is the City of Gatesville, TX at 803 E. Main St. Gatesville, TX 76528.

The funding would be used to replace the City of Gatesville's Hughes elevated water storage tank. The project is an appropriate use of taxpayer funds as the water tank plays a crucial role in maintaining consistent water pressure, a factor of paramount importance for firefighting, irrigation, and domestic use alike.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John R. Carter
Member of Congress
