Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Avenue Wastewater Trunk Line Replacement and Reroute in Fiscal Year 2025.

The entity to receive funding for this project is The City of Marble Falls located at 800 3rd Street, Marble Falls, TX. The funding would be used to move the wastewater trunk line away from the bank of the lake, thereby removing the aged line from service. It also includes re-routing the residential sewer connections to the new line and any associated street repairs due to construction.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "John R. Carter".
