Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$1 million for the Round Rock STEM-for-All Partnership in Fiscal Year 2022.

The entity to receive funding for this project is, located at Texas State University, 601 University Drive, San Marcos, Texas 78666.

The funding would be used for a initiative that will combine a workforce research initiative with STEM engagement and educator professional development opportunities. Activities covered by this funding will include summer engineering camps for elementary students, STEM Internship Programs for secondary students, monthly STEM nights at area schools, summer engineering institutes for pre-service teachers from the Texas State Round Rock campus, Saturday teacher professional development sessions for K-12 teachers, a speaker series for the community, and STEM exhibits and interactive activities at area community events.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "John R. Carter".
