Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$990,000 for the Texas A&M - Central Texas University Research Park in Fiscal Year 2022.

The entity to receive funding for this project is located at Texas A&M University - Central Texas: 1001 Leadership Place, Killeen, TX 76549.

The funding would support strategic planning for the development of a University Research Park in Killeen, Texas, and its future expansion into the Central Texas Innovation District. In addition to expanding the research and innovation capacity of Texas A&M University - Central Texas, this research park/innovation district will attract businesses to the region, support research efforts at the largest Army installation in the U.S., and provide job opportunities for the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "John R. Carter".
