Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Marble Falls Wastewater Plant Improvement Project in fiscal year 2024. The entity to receive funding for this project is the City of Marble Falls, located at 800 Third Street, Marble Falls, Texas 78654. The funding would be used for the construction of a new wastewater treatment plant. The project is an appropriate use of taxpayer funds because it will reduce environmental risks and meet the projected increase in water supply demand.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "John Carter".
