Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Village of Salado Wastewater Treatment Plant Expansion Project for the 31st Congressional District of Texas in fiscal year 2023.

The entity to receive funding for this project is the Village of Salado 301 N Stagecoach Rd, Salado, TX 76571.

I request \$1.5 million for the Village of Salado Wastewater Treatment Plant Expansion Project. Due to the significant rate of growth for residential and commercial areas, Salado has identified the need to expand its wastewater service area and increase its wastewater treatment plant capacity to 300,000 gallons per day. This request is a wise use of federal tax dollars as the expansion of the treatment plant will help protect public health and prevent irreversible damage to the environment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "John R. Carter".
